Increase Participation in Competitive Sports

Membership of the Sports Partnership

Pupil participation in sporting activity remains high as a result of our membership of the Sports Partnership. Pupils continue to participate in sporting competitions and festivals in school and beyond. The Schools' Sports Partnership has developed its sustainability and remains a provision which greatly enhances high quality sporting opportunities for pupils. It also provides access to high quality facilities, equipment and professional expertise. It will continue to be a priority for funding.

Sporting competition/tournaments attended: April 2014 to date.

In addition to the above, various inter-class sports competitions are held every term. Over 100 year 5/6 pupils participated.

Children at Hartley participate in a wide range of sports competitions. This enables them to demonstrate a high level of skill and understanding. Pupil's confidence in other areas of school life has increased. Sport has fostered team ethos and pride in our school, as well as positive relationships with other schools. Achievement is celebrated in weekly whole-school assembly.

Competition for SEND pupils.

This year has seen a big push from our Inclusion Team to involve SEND pupils in sports competitions. To date, they have participated in four competitions organised by school sport partner. Teachers have reported an increase in self-esteem and social skills in the children.

Coaches to Support Teaching and Learning

School has been working with coaches from our partner school, East London Rugby Club and Essex Cricket's 'Chance to Shine' project. Working in partnership with coaches, staff are more confident using a range of teaching styles to provide high quality lessons. Pupils are given the opportunity to enhance existing skills; G&T cricket sessions.

Increase Participation in Sports - Clubs

Sports Premium funding has ensured that there is a wide range of activities on offer for children and that participation levels remain high. Evidence of high levels of participation is available through club registers. There has been positive feedback from children and parents. Parents felt sport had a high priority in school and children were able to develop a range of different skills in the variety of clubs.

PE and Sport are celebrated across the life of the school. Our school has now achieved 'Silver' in the Sainsbury's School Games Kite Mark.
