## Newsletter Number 20 Friday 2nd February 2018

### Soft Start

In a bid to maximise learning time from next week we will be introducing a soft start to the school day. The school gates will continue to open at 8.40am but pupils will no longer be expected to line up in the playground. Pupils can come straight into the building and head to class where their class teacher will be waiting for them. There will be staff available in the playground to take messages.

On Monday 29th January a group of children from Year 5 represented Hartley at an R.E conference at Park Primary School. They collaborated with many other young child from different schools within Newham, exploring the idea of 'Hope' and what this means for them. Throughout the day they participated in several challenges, demonstrating our British Values, whilst working with different people. Here are the group with their Tree of Hope.
