Fairplay House Visit

This week 5S and 5B have been taking part in a variety of adventurous activities whilst on their residential at Fairplay House. Please download Twitter to follow the school Twitter account @hartley_primary for photographs and updates.

Behaviour Towards Staff

The school actively encourages close links with parents/carers and the community. We know that students benefit when the relationship between home and school is a positive one and we welcome visitors to our school and encourage parents to communicate with us in person, by phone or via email. If a parent or carer has concerns we will always listen to them and seek to address them as quickly and positively as possible.

Please do not become frustrated with staff if they cannot obtain an answer to your concern or connect you to the person you wish to speak to straight away; this is not their fault and any frustrations vented at this time, will not serve to ensure your issue is dealt with any quicker. At any time when speaking to a member of staff at Hartley Primary School, please do not raise your voice or use aggressive or threatening language. Staff have a right to expect their school to be a safe place in which to work and learn.
