

SEN provision for pupils at Hartley Primary school

Date: October 2015

As part of the Children and Families Act 2013, Local Authorities are required to publish a **Local Offer**, which sets out support that is available for children and young people with SEN in the local area.

Newham's Local Offer is available on the [Newham Website](#) and tells parents how to access services in their area and what to expect from these services.

Alongside this, schools are required to publish information about their arrangements for identifying, assessing and making provision for pupils with SEN.

This is the Local Offer for Hartley Primary school. It describes the arrangements we make that are "additional and different" for pupils with SEN. This information has been produced together with parents, carers and our pupils and will be reviewed annually.

The following information outlines the support and provision pupils with SEN can expect at Hartley Primary school.

The diagram below illustrates the school's graduated response to children's needs. It shows the standard offer of teaching, learning and care for ALL pupils, the additional provision which may be needed by SOME pupils and the specialist provision available to the FEW children with significant or complex needs
